

PARENT COMMITMENT

The Georgia Sting Organization is a family oriented organization that depends on the loyalty and dependability of the parents of our young athletes, to assist the coaching staff in molding our players into exceptional students and honorable young ladies:

- The parents of the Georgia Sting players are expected to support the player's commitments
- Work together with the Georgia Sting coaching staff to promote a positive home environment for our young athletes
- Provide transportation to practices, tournaments, and other team events as required and work with other parents, to provide assistance as needed
- Show support to the organization by attending practices, games, team events, fundraisers, and after-game functions
- Support any decisions regarding playing time, lineups, and disciplinary actions. Coaching decisions are based on preserving all of the players, for the rigors of a long playing season
- Parents are expected to be courteous, polite, and respectful to the coaching staff, players, umpires, other parents, and the opposition. Be a positive role model to the players and assist the coaching staff in molding distinguished young ladies
- If a problem arises, please make every effort to contact the coaching staff immediately to assist in dispelling rumors
- Parents are encouraged to calmly discuss any issues, problems, or concerns with the coaches, but the COACHES are responsible for making all decisions, based on needs of the team

PRACTICES:

Practices and training sessions are the foundations of the Georgia Sting Basketball Organization. Players improve during practice and display those cemented skills during games. Parents, it is your responsibility to encourage your daughter to attend any and all practices

- All practices are **mandatory**
- Players are required to be on time
- Failure to contact the coaching staff at least **15 minutes** prior to practice will result in disciplinary action
- **Two (2) unexcused absences** will result in suspension from the playing in an upcoming game or as deemed appropriate by the coaching staff

FUNDRAISERS:

We will have 1 or 2 fundraisers throughout the year and they are on a volunteer basis. However, we would like for every family to participate as much as possible. Your participation demonstrates your commitment to your daughter and the Georgia Sting Organization

- All Fundraisers are **optional**
- If a player/parent can't attend, for whatever reason, please notify the coaching staff at your earliest convenience
- Donations are also acceptable in lieu of your participation

As a player's Parent, I take full responsibility for my participation in the Georgia Sting Organizations Basketball program!
